PRESIDENT'S MESSAGE

Spring is coming and with it another Regional Seminar and it's a special one! This will be our 35th anniversary seminar... it seems like only yesterday.

Mark your calendars...May 16-18. Plan to participate in the "Scramble" golf tournament on Wednesday. Ranked the top conditioned public access course in the country by Golf Digest, this course is to be played! Your fee will include greens fees, lunch in a cooler bag (the bag is yours to keep), beverages, and of course...prizes!

Like to eat? Choose from over 11 restaurants of all types and price ranges. The buffet is simply excellent in every way.

Enjoy live entertainment? The Comedy Club will be playing at the Turning Stone during your stay. The Gatlin Brothers will be there on Saturday, May 19th. As soon as we get a schedule with any other entertainers, we will share it with you.

Looking forward to a learning experience? Our program will offer a diversity of information for your professional and personal enrichment. This year our program will include presentations by our own members, and the lessons the financial planner has to share with us will greatly help everyone no matter where they are in their career..."rookie" and "old timer" (That would be me!) alike will benefit from these timely financial words of wisdom. I have heard

INSIDE

- President's Message

- Auditor of the Year
- The Governing Board
- Editor's Note

PURPOSE OF THE NRIAA

The purpose of this organization shall be to support, assist and encourage Member Associations to:

1. Promote and maintain professional standards of performance
2. Abide by ethical standards of conduct promulgated by the National Society of Premium Auditors
3. Create, conduct and encourage the use of educational programs
4. Provide a forum for the exchange of technical information
5. Contribute professional insurance auditing knowledge & experience to the insurance industry

WELCOME

Welcome to the Newsletter for the Northeast Regional Insurance Auditors Association.

MEMBER CHAPTERS

Central New York
Maryland
New Jersey
New York City
Northeast New York
New England

this gentleman speak. He knows his "Stuff" and is is very entertaining.

And of course for the adventurous, there are some games of chance you can partake of in your spare time...and there is a nonsmoking game section available. An early lunch buffet will be served on Friday, during which door prizes and other prizes will be awarded. We know everyone has to travel, so our goal is to finish by noon at the latest.

The Turning Stone does not sell adult beverages. You are invited to bring the beverage of your choice to enjoy anywhere on the premises except the gaming floors. (They will provide glasses).

So get your registration form completed and returned as soon as possible. We have a block of rooms reserved for you at a special price, so hurry!!

We'll see you at the Stone!
Don Crossett
Regional President
