The Maryland Chapter meets every second Friday of the month, beginning in September and ending in June. Our meetings are held at the Towson Place Inn & Suites (same location, different name), Towson, Md., beginning at 12:00 noon, with lunch, an educational program and a brief business meeting to follow. After spending much of the past two years planning the NRIAA Seminar in May, 2010, we are happy to get back to the normal activities of the chapter.
